

The AA Af rating reflects Fitch Ratings ("Fitch") review of the Term program's investment and credit guidelines, the portfolio's credit quality and diversification, as well as the capabilities of PFM Asset Management LLC as investment adviser. It indicates the highest underlying credit quality (or lowest vulnerability to default). However, it should be understood that this rating is not a "market" rating nor a recommendation to buy, hold or sell the securities. For a full description on rating methodology visit www.fitchratings.com.
